

# AVALANCHE

Monty Plummer

(Verse 1)

**You never fade  
You are with me always  
Guide my heart through dark days  
My guiding light**

(Verse 2)

**You gave me life  
When You said that 'it's done'  
You're the rock I stand on  
You never fail**

(Chorus)

**Your love keeps falling like an avalanche  
Everything's turned around  
I look to You  
To You**

**More than I could ever understand  
Everything that You've done  
I look to You  
To You**

(Verse 3)

**You lift me up  
With Your spirit in me  
By Your love I'm set free  
My saving grace**

(Bridge)

**You never fade  
Your love remains  
I give my all to You**

**Your love my light  
Your word my guide  
I lay me down for You**
