

# BEAUTY OF THE CROSS

Monty Plummer

(Verse 1)

**God gave us His only son  
Chosen as the Holy One  
He came down to give His life  
The ransom for all mankind**

**Through all the pain that You endured  
Your sacrifice it changed the world  
As perfect love hung on that tree  
I know I have been set free**

(Chorus)

**You took my shame  
You gave Your everything  
The beauty of the cross Lord  
Beauty of the cross Lord**

**You took my place  
You gave your own away  
The beauty of the cross Lord  
Beauty of the cross Lord**

(Verse 2)

**Though my heart was far away  
You died for me all the same  
With confidence now I can say  
There is power in Jesus' name**

**Death and darkness have to hide  
From the grave there shone a light  
Jesus Christ our Savior King  
Rose again in Victory**

(Bridge)

**Death defeated  
You've risen  
I live for you  
I live for you  
Now It is done  
You have won  
I live for You  
I live for You**
