

FORWARD

Words and Music by Monty Plummer

(Verse 1)

**Going out to all the world
Singing of the good things You have done
Now all we want
To live a life that's worthy of Your call
Your call**

(Verse 2)

**Now we're living for Your name
Now we're living unashamed
You have broken every chain
And lift us up with Your unending grace**

(Pre-Chorus)

**All the earth will see
The cross of victory
That shines eternally**

(Chorus)

**We're moving forward
And we're never turning back
Our lives shine brighter for You
We're running towards
All the things You have for us
Your love is brighter than the sun
Forward**

(Bridge)

**Nothing's gonna stop us
Nothing's gonna keep us down (X4)**
