

GRATEFUL

Monty Plummer

(Verse1)

**You lay it all down just for me
You let Your son die on that tree
All for the sake of love and mercy**

**The action of one was enough
My sins are now nailed to that cross
Under the shadow of Your love**

(Chorus)

**My sins pierced through both of Your hands
Yet Your love pierced my heart instead
Lord I can't tell You how grateful I am
Lord I can't tell You how grateful I am**

(Verse 2)

**You came down off Your throne
To be beaten and die alone
Words can't express the love You've shown**

**My life was scarlet red
But You made me white instead
Nothing compares to what You did**

(Bridge)

**Holy
You are holy
God Almighty
Worthy love**

**Holy
You are holy
God Almighty
Worthy love**

(Last Chorus)

**As tears of love fall down
Crown of thorns staining Your brow
Lord I can't tell You how grateful I am
Lord I can't tell You how grateful I am**
