

# LIVIN IT UP

Monty Plummer

(Verse 1)

**Had no direction**

**Was lost for sure**

**But then You came along and showed me there was more**

**Gave life a purpose**

**Gave me this cause**

**To live for something greater than what I once was**

(Pre-Chorus)

**I know**

**Your love has got me Oh~**

**You're never letting go**

**'Cause I'm Here in Your love**

**Gonna be in Your love**

(Chorus)

**'Cause Your light's shining in my soul**

**Like a fire burning in my bones**

**Now I can't stop this feeling, no**

**Livin' it up with You**

**Livin' it up with You**

(Verse 2)

**I know You got me, No time for fear**

**I'm sure no matter what that You'll always be near**

**Now that I'm with You, I can't deny**

**Your love is greater than everything in this life**
