

# MY STRENGTH

Richie Plummer, Monty Plummer, Daniel Joseph

(Verse 1)

**You are my shield, My hiding place  
My life covered by Your grace  
And when I'm weak, You're lifting me  
Far beyond all that I see**

(Pre-Chorus)

**Now we look to You  
Hear Your voice and follow  
With Your power in us  
Standing firm in battle  
We are not shaken  
'Cause our God is faithful  
You will never change**

(Chorus)

**You are my strength through it all  
You are the calm in the storm  
Now I will go where you call  
And walk with You closer**

(Verse 2)

**Our hope is sure, on truth we stand  
Your Word lighting up our path  
You make us whole, You set us free  
We become who we're meant to be**

(Bridge)

**As we worship and sing  
Walls will fall to the ground  
We're not backing down  
We're not backing down**

**Our unstoppable King  
Gives the victory now  
We're not backing down  
We're not backing down**
