

ONE I NEED

Jed Cajudo

(Verse 1)

**There's nothing like Your love it is
My everything
You bring me back to life with Your Word
You set me free**

(Verse 2)

**I'm in Your plan I know there is
A place for me
There's nothing like my God You are
The One I need**

(Chorus)

**I will sing a new song
I will sing the whole night long
I will sing a new song
Sing to You the whole night long**

(Bridge)

**Woah, woah You're the One I need
Woah, woah You're the One I need**
