

# ONLY ONE

Monty Plummer

(Verse 1)

**In my weakness You are here  
By my side  
You lift me up when You draw near  
Break my night**

(Pre-Chorus)

**Who can say the words and then  
There be life  
There's only One  
His name is**

(Chorus)

**Jesus  
Jesus  
You're everything I need**

(Verse 2)

**My whole future in Your hands  
You won't let go  
I am trusting in Your plans  
You're faithful**

(Bridge)

**No mountain too high  
No valley too low  
That could separate  
Us from You Lord**

**No river too wide  
No moment too low  
That could separate  
Us from Your love**
