

# YOU ARE MORE(Bilingual)

Monty Plummer, Monci Arciaga  
Translation by Lifehouse Translation Team  
(Verse 1)

I've found a love that is so, so amazing  
Beyond what I could wish for, Beyond what I could dream  
So much more fulfilling than all these earthly things  
Yeah

(Verse 2)

You help me see all of the things I couldn't see  
And with Your light inside me, You show me how to dream  
All I want is you Lord, more than anything  
Anything

(Pre-Chorus)

You got that life never ending  
We need it  
We need it  
My God this love's never failing  
And it's only found in You  
And it's only found in You  
And it's only found in You  
And it's only found in You

(Chorus)

'Cause You are more  
You are more  
You are more  
You are more than we imagine
