

ALL THE EARTH

Richie Plummer

(Verse 1)

**In Your endless grace
There is an answer
Your love will bring the victory
In Your embrace
There is surrender
I know You are enough for me**

(Chorus)

**All the earth will sing Your praises forever
And every heart will know the love of the Father
And all will see Your power in everything
And all the earth will sing Your praises forever**

(Verse 2)

**In knowing You
I've found my purpose
You gave your life to make a way
And in Your truth
I've found this freedom
There's nothing greater than Your name**

(Bridge)

**You're all I need
My heart is Yours
My heart is Yours (Repeat)**
