

# CELEBRATE

Monty Plummer

(Verse 1)

**Gonna live forever  
By what You've done  
Your grace inside me is more than enough**

**You fill my spirit  
I'm overjoyed  
Held by Your love that can't be destroyed**

(Pre-Chorus)

**Woah  
I'm just gonna shout Your praise  
Woah  
Living with You always  
Woah  
I am gonna dance for days  
Woah**

(Chorus)

**I'm gonna live my life  
Gonna celebrate  
With You through the night  
And all day  
I'm gonna lift my eyes  
Gonna lift Your name  
You are my shining light**

(Verse 2)

**My past behind me  
I'm moving on  
No fear can hold me back from Your love**

**You hold my future  
My hope secure  
I cannot hide this light anymore**
