

FILLED

Monty Plummer

(Verse 1)

**This love
Goes further than the eye can see
It's enough
It's more than all I'll ever need**

(Chorus)

**'Cause in You
I'm no longer restless
True joy
Is found in Your presence**

(Verse 2)

**This truth
I know it'll light the way
Trusting You
I'm better than yesterday**

(Verse 3)

**This light
Shines bright for all the world to see
In the night
I know You'll never leave me**

(Bridge)

**Over and over
I am filled by Your love (Repeat)**
