

# HEART & SOUL

Daniel Joseph, Monty Plummer

(Verse 1)

**You've given me hope  
You've made my heart new again  
Shown me what real life is  
So I'm giving it all  
I open the door and let You in  
As You transform me from within**

**My heart, my soul  
Reaches out to You Lord  
To see Your face  
In my life take control  
I'm moving closer  
To You everyday**

(Verse 2)

**Every step I take with you  
I can sense Your grace  
A perfect love that has no end  
So I have no choice  
But to give You my everything  
And let the whole world know  
You are King**

(Bridge)

**Here before You, now I surrender  
To the Almighty God, my Savior (X2)**

(Chorus)
