

HERE I STAND

Monty Plummer, Joshua Kadlec

(Verse 1)

**King of heaven
You broke the power
Of my shame, Lord
You hold me now
Within Your love
And always will**

(Verse 2)

**God of mercy
I lift my eyes
See Your glory
You are the light
That breaks through the dawn
Jesus is Lord**

**Here I stand Lord
Arms open wide
Under the banner
Of Your love**

**Here I stand Lord
Here by Your side
Under the banner
Of Your love**

(Verse 3)

**King of kings
Nations bow down
At Your coming
We'll raise a shout
The Savior has come
For one and all**

(Bridge)

**I can see revival
Your Spirit falling
I can see revival**

**I can see revival
Your Spirit calling
I can see revival**

(Chorus)
