

# HIGHER

Monty Plummer, Monci Arciaga

(Verse 1)

**Hearts revived, a song inspired  
By the beauty of Your grace  
Here and now, I will sing**

(Verse 2)

**Hopes and dreams You give to me  
Far beyond what I can see  
Where You go, I will follow**

(Pre-Chorus)

**You took my place  
You gave Your life for me  
No sin, no shame  
You came to set me free**

(Chorus)

**I lift You higher  
Name above all names  
You lift me higher  
Beyond my wildest dreams**

**I lift You higher  
You deserve the praise  
You lift me higher  
Into my destiny**

(Verse 3)

**Unfailing love, You give to me  
Letting go of all I am  
Where You go, I will follow**
