

IN YOUR NAME

Monty Plummer

(Verse 1)

**Laid everything down at the cross
You gave Yourself for me
And everything I've ever done
Has now been washed clean**

(Pre-Chorus)

**Our Father
Gives us each day
Forgives as we pray
Our Father
How great's Your name**

(Chorus)

**In Your name
I will take my place
The wait is over
Your Kingdom come Lord
Now I'm here face to face
With amazing grace
The wait is over
Your will be done Lord**

(Verse 2)

**Took everyone's sin on that cross
Now all are saved who believe
The power of sin is now gone
You have the victory**

(Bridge)

**In Jesus name I see the darkness flee
In Jesus name I see the mountains move
All power and glory is found in Jesus' name
I know
In Jesus name I see all sickness leave
In Jesus name I see all pain removed
I now have victory 'cause I'm in Jesus' name
I know**
