

NO LIMIT

Monty Plummer, Monci Arciaga

(Verse 1)

**You're the well of life
The reason I'm alive
Your water overflows
And fills me with Your hope**

(Verse 2)

**Even in the drought
Your love will not run out
Into Your grace I dive
You'll never leave me dry**

(Pre-Chorus)

**So everybody dance now
And everybody singing
I'm just gonna praise You
Jesus You're the only One**

(Chorus)

**'Cause with You there's no limit
I'm made new I can feel it
It's Your grace it's no secret
Everything I need is You
The overflow
The overflow
God of the overflow**

(Bridge)

**Can you feel the river rising?
Can you feel the breakthrough coming?
This joy is overflowing
Taking over us right now**
