

# **NOT ASHAMED**

Richie Plummer, Monty Plummer, Daniel Joseph

(Verse 1)

**I will live all for the glory of Your name  
You have set me free it's a brand new day  
I am not ashamed of Your love**

(Verse 2)

**The past behind  
Into the darkness Your light shines  
Now I'm looking at the world through Your eyes  
I am not ashamed of Your love**

(Pre-Chorus)

**I know by faith I can move a mountain  
With all my heart I will trust in You  
You never fail, will You pull me closer,  
And take me higher**

(Chorus)

**I will give you praise,  
'Til the end of days,  
With all my life I'll sing  
Ohhh Ohhh  
I'm living by faith  
'Cause You're the only way  
You're my everything  
Ohhh Ohhh**

(Bridge)

**Oh Lord You pull me in and You never let go  
Now that You're in my life, gotta let the world know  
Oh Lord You pull me in and You never let go**
