

# ONLY HOPE

Words and Music by Monty Plummer

(Verse)

**You took my heart  
Wrapped it in grace  
You filled my life  
With your perfect peace  
When I'm weak  
You are my strength  
You never fail  
Now I won't be shaken  
Because I've found my only hope**

(Verse 2)

**You put the stars  
In their place  
You authored life  
You authored grace  
The Holy God  
Took my place  
You never fail  
Now I won't be shaken  
Because I've found my only hope  
Now I won't be shaken  
Because I've found my only hope**

(Chorus)

**Now all my troubles fade  
You've called me by my name  
Jesus you're everything  
I need** (Repeat)

(Tag)

**Woah**

(Bridge)

**Arise, shine for the glory of the Lord our light  
Shining out into the darkest night  
Over everything with You we rise  
Jesus** (Repeat)
