

# **SOLD OUT FOR YOU**

Monty Plummer

(Verse)

**Searching for love  
Searching for love but it can't be found  
Except from above  
That's when my heart heard the sound**

(Pre-Chorus)

**Now we won't be silent  
And we won't stop singing Your praise  
And we can't deny it  
That Your love's the only way**

(Chorus)

**Now we're living, all sold out for You  
'Cause this life is all for You, woah  
And all I am is all for You  
'Cause Your love has made me new, woah**

(Bridge)

**We are never gonna be the same  
Now we're living out for Your name  
We will go until the world stops spinning  
Always singing of the love You're bringing**
