

# TURN IT UP

Words and Music by Monty Plummer

(Verse 1)

**When I'm lost and falling  
You're my salvation  
When I'm down You pick me up  
With Your love, Your love, Your love**

(Verse 2)

**When the ground is shaking  
You're my foundation  
When I'm down You pick me up  
With Your love, Your love, Your love**

**Ooo, we will never be the same again  
Ooo, we will never be the same  
Woah**

**We will dance, and party  
Under Your love, we are set free  
We will run, and turn up the love  
Turn up  
Turn it up  
Turn it up**

(Verse 3)

**This generation  
Is gonna change the nations  
We'll shout it out and tell the world of  
Your love, your love, your love**

(Pre-Chorus)
