

YOUR LOVE IS FREEDOM

Monci Arciaga

(Verse 1)

**The love that won rescued me
My guilt is gone, the cross revealed
When I lift my eyes I see Jesus**

(Verse 2)

**He stands with me in victory
I lift my hands for all to see
I no longer live in shame, I'm free**

(Chorus)

**Your love is freedom
It's everlasting
Your love's a river
It's overflowing on me**

(Verse 3)

**There's saving power in Your name
You're healing lives and breaking chains
You make all things new again, Jesus**

(Bridge)

**Now I'm free to sing
Praises to my King
With grace in me I live to worship You** (X2)
