

DRAW NEAR

Monty Plummer

(Verse1)

**You're the God of creation
The Beginning and End
You hear all of my praises
And You call me Your friend**

(Pre-Chorus)

**I give my life to praise You
'Cause You gave me everything**

(Chorus)

**You're the fire that burns in my heart
Knowing Your love brings me to life
Now all I wanna do is lift You, lift You up**

**And I just wanna be where You are
No ordinary life can satisfy
So I give it all to You God**

(Tag)

**I draw near to You
You draw near to me (*Repeat)**

(Verse2)

**Our God and Creator
Lived amongst His design
No one else has been greater
Than our Lord Jesus Christ**
