

LOVE LIKE A WAVE

Richie Plummer, Monty Plummer

(Verse 1)

**There is only One
Author of our faith
Who would give His son
Who would show us grace**

**He came down to Earth
Reaching out His hand
Let us know our worth
Let us know His plan**

(Chorus)

**Your love is like a wave
Overflowing
Wash me in your grace
I surrender** (Repeat)

(Verse 2)

**Let Your kingdom come
On the Earth today
Let Your will be done
As You make a way**

**Dreams will come to life
Fear and shame will hide
Visions shining bright
With You by our side**

(Bridge)

**I'll give my lifetime
I'll give whatever
To You my God who reigns forever** (Repeat)
